This file is updated monthly.

Options Media's Industry-leading 1TM New Home Buyer Hotline Database is a compiled database of motivated online consumers who have recently made a home purchase. It is sourced from our vast network of permission-based websites and is updated monthly. Our subscribers have specifically requested to receive promotions and offers on specific areas of interest.

We get your message to the right audience!

Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive consumers. By targeting those consumers that are most likely to buy your product or service.

Options Media's 1TM Database offers 700 different data selections.
Please inquire about our full range of available targeting criteria.

Options Media and its subsidiary, 1Touch Marketing, offer precision digital and direct marketing solutions including email marketing, sms/mobile marketing, and lead generation.
