This file is updated monthly.

Options Media's Industry-leading 1TM Sports Enthusiast database is a compiled database of motivated online consumers who watch or play sports. It is sourced from our vast network of permission-based websites and is updated monthly. Our subscribers have specifically requested to receive promotions and offers on specific areas of interest.

We get your message to the right audience!

Targeted campaigns are the key to successful online results. Our lists are enhanced with all the key demographics and lifestyle selects to get your offer to the most responsive Sports Enthusiasts. By targeting those consumers that are most likely to buy your product or service.
